Workshops/Webinars

21 Academy was founded in 2018 as a Higher Education Institution licensed by the National Commission for Further and Higher Education with license number 2018-017.

The Academy has developed and delivered its own accredited courses such as Award in Company Law Fundamentals and Award in Anti Money Laundering & Funding of Terrorism.

It has also successfully delivered non-accredited courses such as the most sought-after course developed to date by the Academy, Course for Data Protection Officers/Leads. Other courses offered by the Academy include the 12-month long Business & Human Resource Management course as well as the Digital Marketing course.

The Academy is proud to have designed an Undergraduate Diploma in Business Administration which has been accredited at MQF Level 5 with 60 ECTS as well as a Diploma in Law (Malta) accredited at MQF Level 5 with 60 ECTS.

21 Academy also offers custom made

inhouse training programmes for businesses and also delivers training programmes at its own premises in Naxxar and online.

The Academy has also been successfully delivering an annual conference on the General Data Protection Regulation (GDPR).

Students undertaking their studies at 21 Academy have recognised the cost-effectiveness of each programme, their flexibility, as well as the expediency through which they are delivered.

The Academy's academic team consists of successful professionals who lecture and train on a part-time basis while at the same time continue to practice their profession in order to ensure a holistic and practical approach to their teaching. This helps to keep the training deliverables continuously updated.

All of 21 Academy's courses qualify for one or more refund schemes available for participating students or employers.

The Academy indicates which of the available schemes each course qualifies for from the schemes listed below.

While the Academy will assist students or their employers to apply for any of these schemes, it is the beneficiary's responsibility to apply and submit the requested information which in most cases will be made available by the Academy.

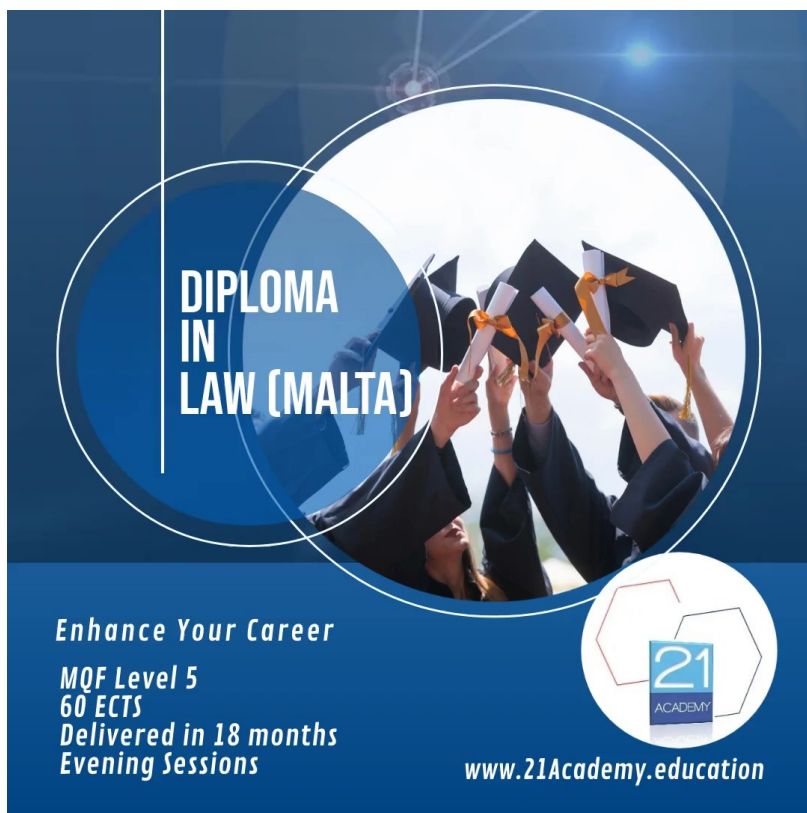

In the case of the Investing in Skills Scheme, employers have to apply at least 7 days before the course starts,

while under the Get Qualified Scheme students are asked to apply after they are in receipt of the respective study programme's successful certificate of completion. In the case of the Training Pays Scheme, applications for training programmes must be submitted before the course end date.

Please read the different terms and conditions of each refund scheme which have been made available by clicking on the images below.

Do not hesitate to contact us if you have any questions about eligibility to other schemes or any other course's accreditation such as the Malta Institute of Accountants' Continuing Professional Education (CPE) hours.

The graphic features a large circular frame containing a photograph of graduates in black gowns and mortarboards, holding up rolled-up diplomas. The background is a deep blue with white geometric lines. The text 'DIPLOMA IN LAW (MALTA)' is prominently displayed in white, bold, sans-serif capital letters. Below this, the text 'Enhance Your Career' is followed by 'MQF Level 5', '60 ECTS', 'Delivered in 18 months', and 'Evening Sessions'. A small circular logo for '21 ACADEMY' is positioned to the right of the text. The website 'www.21Academy.education' is at the bottom right.

are they different?

Workshop/Webinar

24 November 2021

We organise free 60-minute webinars regularly. These are usually announced just days before they are to be delivered due to the nature of the hot topic to be discussed. We also advertise these webinars through our Facebook page and mailing list. We invite you to join our mailing list and like our Facebook page “21 Malta” so that you are kept up to date with all our courses and webinars, webinars, workshops and conferences.
