

Award in Anti Money Laundering & Funding of Terrorism Short Session

Welcome to 21 Academy

Online vs face to face

This course will be delivered online.

- Had you been in class you would not have been allowed to chop your head off or cover your head with a bag... please leave your cameras on at all times. We want to see you and we want to know that you are still there.
- The more the lecturer sees of you and your reactions to what is being said, the easier it is for the lecturer to deliver an effective lecture.
- As much as possible avoid using the chat box for asking your questions. Unmute yourself and ask your question, you would not have been sending a WhatsApp message or an email to the lecturer had you been following the lecture in class 😊

You have been given access to the Resource Centre where you will find

- The presentations delivered after each lecture
- A summary of each lecture's content and the suggested reading material to help you understand the lecture better
- In the resource centre you will also find a link to our Complaints Procedure Police and the Complaints Form you will need to fill if you have any complaints
- Please contact us if you have not managed to access to the resource centre
- You will have 1 lecturer during this course

Recording

As you have been made aware, the lectures will be recorded. This does not mean that you do not attend because you have peace of mind that the recording is available. Following a recording might not answer the questions that come to mind when you are following a live lecture and your questions may remain unanswered. Please try and, as much as possible, join the live lectures.

For those who have a valid reason not to join we will send them a link to the recording.

-  Link will not be automatically sent to absent students but will only be sent upon request which should be made before or until noon on the day after the lecture is delivered.
-  Once link is sent to you it will expire 24 hours after
-  Recording cannot be downloaded and thus viewing can only take place while you are online
-  It is the Academy's policy that unless there is a legitimate reason to do otherwise all lecture recordings will be deleted 24 hours after the lecture has been delivered.

Mailing list

As 21 Academy students you will be included in the 21 Malta mailing list unless you inform us that you do not want to.

-  We will notify you of all the courses, webinars, workshops, and conferences we organise.
-  You can unsubscribe from our mailing list if you wish so by clicking the link at the bottom of each of our mailshot emails.
-  Most of our courses, webinars, workshops and conferences are employment, data privacy or law related and thus we feel that they might either interest you are even complimentary to this same course you have chosen to take with us.
