MISSION STATEMENT

Empowering Students with
Cutting-Edge Skills

OUR VISION

To offer excellent academic courses that provide a quality learning experience and positive education experience to all students. We strive to foster an atmosphere of aspiration and determination to succeed in our students, which is at the soul of our vision. To achieve this, we are committed to providing top-quality teaching and learning facilities that enable our students to realize their full potential and become lifelong learners. We believe that by providing a supportive and engaging learning environment, we can help our students achieve their goals and become successful leaders in their chosen fields.

VALUES

At our higher education institution, we value the following:

- Academic Excellence:** We value academic rigor, intellectual curiosity, and the pursuit of knowledge in all fields of study.
- Student Success:** We are committed to the success of our students and strive to provide them with the knowledge, skills, and experiences they need to achieve their goals and fulfil their potential.
- Diversity, Equity, and Inclusion:** We embrace diversity in all its forms and promote equity and inclusion in our policies, practices, and programs.
- Innovation:** We value creativity, innovation, and entrepreneurship, and seek to foster a culture of experimentation and discovery while encouraging the use of new and emerging technologies to enhance teaching and learning.
- Community Engagement:** We are dedicated to serving our communities and building partnerships that promote social, cultural, and economic development.
- Ethical Leadership:** We believe in the importance of ethical leadership and aspire to develop graduates who are responsible, compassionate, and committed to making a positive difference in the world.

By upholding these core values, we aim to create a vibrant and supportive learning community that prepares our students for success in their personal and professional lives and equips them to make a positive impact on society.

21 ACADEMY

Founded in 2018 21 Academy is committed to providing high quality education to students from all backgrounds and walks of life We offer a range of awards, undergraduate, graduate and post graduate programs in various fields of study, including business, education, law, human resources management, and more To date all our study programmes have been locally designed and accredited in order to prepare our students for the specifics of the local and European markets.

Our institution is committed to fostering a diverse and inclusive community, where students can learn from one another and engage in meaningful dialogue and debate We promote this particularly among those students who only join us for our online courses.

Our academic staff are professionals in their respective fields and are dedicated to providing students with the skills and knowledge they need to succeed in their chosen careers They deliver the training on a part time basis while at the same time gathering more experience practicing their profession This helps to keep the training deliverables continuously updated.

21 Academy also offers custom made inhouse training programmes for businesses as well as delivers training programmes at its own premises in Naxxar and online.

Students undertaking their studies at 21 Academy have recognised the cost effectiveness of each programme and the flexibility as well as the expediency through which they are delivered
